BRANSON LAKESIDE RV PARK
Reservation Policy

Reservations can be made online at BransonLakesideRVPark.com or by calling the RV Office at 417-334-2915. You will need to know the length of your stay, the size of your RV, and if there are any additional vehicles, boats, or guests.

➢ A non-refundable deposit totaling the first night's payment and a booking fee is required to make a reservation. A credit card is required to hold the remaining nights of the reservation.

➢ You may reserve a site that is compatible with the size of your RV and reflects the amenities that best suit your needs (pull-thru, lakefront, premium). Specific sites are not guaranteed without a lock fee.

➢ A 2-night minimum stay is required when making a reservation.

➢ A 3-night minimum stay is required for the following times:
  o Memorial Weekend
  o The weekend preceding July 4th through the following weekend
  o Labor Day Weekend
  o Columbus Weekend
  o Veterans Weekend
  o Thanksgiving Weekend
  o October and November weekends

➢ The remaining balance of stay is due at check-in. The card on file will automatically be charged the day after the scheduled check-in. If you choose to pay by cash, please call ahead.

Refunds may be requested with a minimum of 48-hours notice in the event of leaving early for the remaining nights. Refunds must be requested by contacting the office, 9am-5pm daily.

Cancelations must be requested no later than 14 days before the start of your stay to apply your non-refundable deposit to your next stay.

➢ This stay must occur within 6 months from the start date of your initial stay for your non-refundable deposit to apply. This is a one-time credit towards a future stay and does not compound.

➢ A notice of cancelation within 14 dyas of your start of stay date is not eligible to move to a new date. If you cancel within this time, your reservation will be refunded minus the non-refundable deposit.

➢ Reservation dates between January 1-February 28 are not eligible to move to a new date.

Please note: Nightly reservation fes are subject to change
